

# OHSAS POLICY

- As ATLANTIS MARINE, we will be open to "Continuous Improvement" and interested parties to catch up the changes and to grow.
- Occupational Health and Safety is the responsibility of all ATLANTIS MARINE employees.
- Responsibilities and authorities will be shared among all our employees to fulfill the laws, legislation, regulations and other Occupational Health and Safety requirements.
- Health and Safety at ATLANTIS MARINE is as important as our other business purposes.
- All accidents can be prevented and to be prevented.
- There is always a safer way to do every job.
- At ATLANTIS MARINE; education is indispensable to implement OHSAS 18001 Standards effectively and to create and develop individual responsibility for Occupational Health and Safety issues.
- At ATLANTIS MARINE, any kind of internal and external sources shall be used as the most accurate and beneficial way and shall continuously be improved in order to create efficient, safe and healthy working environment, to make communication effective, to improve individual performance of the employees and to reward knowledge and success.
